

Authoring Decision Support Algorithms

Course Description:

This three day instructor-led course provides intensive instruction and interactive experience in authoring Request, Result, and Specimen Management rules using Instrument Manager™. Our focus is on realistic, practical material you can immediately apply. Attendance is controlled to facilitate maximum participation and feedback.

Contact Hours: 20.0*

Learning Objectives:

- Describe the elements of the Instrument Manager “rules engine”
- Recognize the interrelationship of Request, Result, Specimen Management algorithms within the Instrument Manager™ system
- Understand the process of design, formulation and evaluation of decision support algorithms
- Construct decision support algorithms using Instrument Manager™

Who should attend:

Rules Training benefits anyone involved in laboratory decision support management. It is primarily targeted toward individuals designated to become subject matter experts for the Instrument Manager™ Rules feature.

Instructors: William A. Coughlin BS, MBA
Kathy Fraser, BS, MT(ASCP)

Contact:

For further information, or to register for a course contact northamerica-sales@datainnovations.com or call 802-264-3470.

Dates:

Classes are currently scheduled to be held from 9:00 a.m. to 5:00 p.m. (Tuesday through Thursday) at our Burlington training facility on the following dates:

- 05/04/10 - 05/06/10
- 07/13/10 - 07/15/10
- 09/14/10 - 09/16/10
- 11/09/10 - 11/11/10

Cancellation/Change Policies

Student Cancellation:

Payment must be received prior to 20 working days of the course start date to confirm your attendance.

You may cancel or change a course reservation without penalty by submitting a written cancellation request via email to northamerica-sales@datainnovations.com or via fax 802-658-2782.

Data Innovations must receive such notice of cancellation at least 20 working days prior to the start of a course. Changes made after 20 working days prior to the course start date are subject to a penalty of 100% of the course tuition.

Course Cancellation:

Data Innovations reserves the right to cancel or change course dates. Class size is limited to no less than three and no more than eight students.

Students will be notified of cancellations or changes at least 15 working days prior to the course start date. Should a course be cancelled or changed for any reason, Data Innovations' liability is limited to the return of any prepaid tuition only.

Please be careful if ordering non-refundable airline tickets.

Price:

Pricing is based on number of attendees in the same class from the same facility.

1 attendee.....	\$1275/attendee
2 attendees.....	\$1115/attendee
3 or more attendees.....	\$950/attendee

*Data Innovations is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program
