

Basic Training for Instrument Manager

Course Description:

This three-day instructor-led course provides basic training covering the installation, configuration, operation and troubleshooting of Instrument Manager™. Attendance is controlled to facilitate maximum participation and feedback.

Contact Hours: 17.5*

Learning Objectives:

At the conclusion of the training the attendee will be able to:

- Describe Basic Instrument Manager™ operation
- Acquire and implement device drivers, create device configurations and device connections.
- Manipulate test code, error code, fluid code and instrument ID mapping as needed
- Perform basic system troubleshooting
- Configure Specimen Management and SM Workspace
- Configure and use Notifier to send alert messages for either pre-defined or user-defined events
- Backup and/or Archive patient databases

Who should attend:

Basic Training benefits all Instrument Manager™ users. It is primarily targeted toward individuals designated to become administrators of the Instrument Manager™ system.

Instructors: William A. Coughlin BS, MBA
Kathy Fraser, BS, MT(ASCP)

Contact:

For further information, or to register for a course, contact northamerica-sales@datainnovations.com or call 802-264-3470.

Classes are currently scheduled to be held from 9:00 a.m. to 5:00 p.m. (Tuesday through Thursday) at our Burlington training facility on the following dates:

- 06/08/10 - 06/10/10 • 12/07/10 - 12/09/10
- 08/17/10 - 08/19/10
- 10/12/10 - 10/14/10

Cancellation/Change Policies

Student Cancellation:

Payment must be received prior to 20 working days of the course start date to confirm your attendance.

You may cancel or change a course reservation without penalty by submitting a written cancellation request via email to northamerica-sales@datainnovations.com or via fax 802-658-2782.

Data Innovations must receive such notice of cancellation at least 20 working days prior to the start of a course. Changes made after 20 working days prior to the course start date are subject to a penalty of 100% of the course tuition.

Course Cancellation:

Data Innovations reserves the right to cancel or change course dates. Class size is limited to no less than three and no more than eight students.

Students will be notified of cancellations or changes at least 15 working days prior to the course start date. Should a course be cancelled or changed for any reason, Data Innovations' liability is limited to the return of any prepaid tuition only.

Please be careful if ordering non-refundable airline tickets.

Price:

Pricing is based on number of attendees in the same class from the same facility.

| | |
|--------------------------|-----------------|
| 1 attendee..... | \$1275/attendee |
| 2 attendees..... | \$1115/attendee |
