

Personalized Training Programs

Objective: To maximize the utility of Instrument Manager™ in an individual facility's environment.

Training Curriculum:

In collaboration with the customer, Data Innovations North America will design, schedule and deliver a customized training program meeting the expressed requirements of an individual account.

The course provides intensive instruction and interactive experience focused on the Instrument Manager™ features determined by the learning objectives defined during the collaborative process.

- We will survey your interests, goals, and working environment.
- Our focus is on realistic, practical material you can immediately apply.
- Course composition is designed for maximum participation and feedback.
- Our example materials are drawn from years of experience in the field.

Personalized Training Programs require a minimum of 3 attendees and program content will be scheduled for a minimum of 3 and a maximum of 4.5 instructional days.

All classes are facilitated by Data Innovations personnel with expertise in clinical laboratory operations as well as Data Innovations solutions.

Classes will be held at the Data Innovations North America Training Facility located in South Burlington, VT.

Who should attend:

Rules Training benefits anyone involved the implementation of Instrument Manager™. It is primarily targeted toward individuals designated to become subject matter experts for the system.

Cancellation/Change Policies

Student Cancellation:

You may cancel or change a course reservation without penalty by submitting a written cancellation request via email to sales@datainnovations.com or via fax 802-658-2782.

Data Innovations must receive notice of cancellation at least 30 working days prior to the start of a course. Changes made after 30 working days prior to the course start date are subject to a penalty of 100% of the course tuition.

Course Cancellation:

Data Innovations reserves the right to reschedule course dates. Class size is limited to no less than three and no more than eight students.

Students will be notified of changes within 20 working days of the course start date. Should a course be rescheduled for any reason, Data Innovations' liability is limited to the return of any prepaid tuition only.

Please be careful if ordering non-refundable airline tickets.

Dates:

Courses are scheduled for mutually agreeable dates and times.

Price:

Pricing is based on number of attendees.
